

Chemistry and Life

New Developments in Biodynamic Agriculture

Seminar with Glen Atkinson July 2016

The Field Centre, Nailsworth. GL6 0QE

Programme

Friday 1st July

5.30-6.30 Registration and supper

7.30 Welcome ,

presentation The Biodynamic worldview - Identifying 'universal patterns from observing Astronomy and Life

Saturday 2nd

9.30 Organising 3D chemistry Part 1 Major elements

10.45 break

11.15 Organising 3D chemistry Part 2 Trace Elements and Rare Earths

12.45 lunch

2.00 – Iron – Summary from study group > Iron and the 3D periodic table

3.30- break

4.00 Alchemical Chemistry – Chemistry in life processes

6.00 supper

Sunday 3rd

9.30 Discussion of practical applications and participants insights.

.

10.45 break cont.

11.15

12.45 lunch and finish

cost £125 please let me know if you would need help with the cost.
